

Dear Terminix UK, Ltd

On behalf of Valleys Kids, I would like to thank Daniel White, of Terminix UK for his very kind gift which has been donated to the children.

We have had 380 families referred to us who would not have had a Christmas this year and many of these children would not have any presents to open on Christmas day. 120 food hampers were given out in the last week and these hampers are mostly basic foods with a little special treat.

This can only happen with the kind donations and people like Daniel thinking of others.

Terminix UK have been a tremendous help and 1,000 children were able to see Santa and receive a gift, thanks to Terminix UK.

Thank so much.

Denise Davies
